## FY2014 State Responsible Offender Demographic Profile

- This report contains offender demographic information for the State Responsible (SR) Confined Offender, Community Corrections Population, SR Releases, Parole Violators, and New Court Commitments on June 30, 2014. Gender, race, and age are provided for both populations. In addition, information specific to the individual populations is provided. For each population, there is aggregate information summarizing demographic characteristics for the entire populations. For the Community Corrections population, Detention and Diversion Centers are presented along with the Probation and Parole Districts. Information is also provided by type of facility for the SR Confined
