 - b. If proper procedures were not followed, the *Disciplinary Offense Report* will not be processed.
8. Any *Informal Resolution Agreement* accepted by an offender will be retained by the Hearings Officer for 12 months, after which time the report will be removed from the offender's Informal Resolution file. The *Disciplinary Offense Report* and the *Informal Resolution Agreement* will not be uploaded to VACORIS.
9. An offender's refusal to accept an *Informal Resolution* will be documented on the *Informal Resolution Agreement, Part II*.
 - a. The *Disciplinary Offense Report* and the *Informal Resolution Agreement* will be returned to the OIC to prepare a *Penalty Offer* and complete service of the *Disciplinary Offense Report* by midnight of the following working day.
 - b. A copy of the declined *Informal Resolution Agreement* should be attached to the offense report to document the delay in service.

D. Penalty Offer

The OIC will take the following steps to prepare to serve the *Disciplinary Offense Report* on the

offender.

1. Determine the appropriate penalty for the offense and prepare a *Penalty Offer* in VACORIS for delivery during the service of the *Disciplinary Offense Report*. For an offense that requires a mandatory penalty for conviction, the OIC shall not offer a lesser penalty.
2. Complete the *ICA Referral Notification* (see Operating Procedure 830.1, *Facility Classification Management*), if Pre-Hearing Detention is utilized.
3. Provide an interpreter/translator/advisor during the service of the *Disciplinary Offense Report* when the offender does not speak or understand English, is hearing impaired, or where a literacy problem exists. The interpreter/translator should be fluent and possess the skills necessary to communicate effectively with the offender. If an appropriate interpreter/translator/advisor is not available at the institution, the OIC should contact the Hearings Officer for assistance.

E. Waiver of Hearing/Penalty Offer Process

1. An offender may waive the right to a Disciplinary Hearing by documenting acceptance of a *Penalty Offer*. (4-4237)
 - a. The offer of a penalty is mandatory but acceptance by the offender is voluntary.
 - b. The offender may request the assistance of an advisor in the consideration of accepting the *Penalty Offer*.
2. The administration may offer any penalty authorized for the charged offense.
3. The *Penalty Offer* will be served on the offender with the *Disciplinary Offense Report*, and the Serving Officer shall return the original *Penalty Offer* to the OIC, who will document the service of the *Penalty Offer* in VACORIS and forward it to the Hearings Officer.
4. The offender will be offered three choices during the *Penalty Offer* phase:
 - a. **Accept** - The offender may accept the offer, enter a guilty plea, and waive the right to a hearing.
 - b. **Decline** - The offender may decline the offer and will be scheduled for a disciplinary hearing.
 - c. **24 hours to decide** - The *Penalty Offer* is valid for only 24 hours from the time the charge is served.
 - i. If the offender opts to consider accepting the *Penalty Offer* within 24 hours, the Serving Officer should instruct the offender that any staff member can witness their decision at the bottom of the form and forward the signed copy immediately to the Hearings Officer.
 - ii. If the offender fails to make a decision in 24 hours, the offer will become void, and the offender will be scheduled for a disciplinary hearing.
 - iii. The offender will not have the option to accept the *Penalty Offer* prior to the start of the disciplinary hearing.
5. The offender's consideration of a *Penalty Offer* is not an admission of guilt, and the Hearings Officer shall not consider it when determining the offender's guilt or innocence, nor in the imposition of any penalty.
6. If the *Penalty Offer* exceeds the authorized penalty range, or if the penalty is found to be excessive, the Hearings Officer may reduce the penalty and document this on page 2 of the *Disciplinary Offense Report*. The Hearings Officer will provide the offender a copy of the revised *Penalty Offer* and the *Disciplinary Offense Report*, after the institutional review is completed.
7. When the offender has documented acceptance and the *Penalty Offer* complies with procedure, the Hearings Officer shall:
 - a. Indicate voluntary acceptance of the *Penalty Offer* on page 2 of the *Disciplinary Offense Report* and write "**Accepted Penalty Offer**" in the *Reason for Decision* section.
 - b. Enter the penalty and any modification to the offense code on the *Disciplinary Offense Report* and in VACORIS

- c. Sign the *Disciplinary Offense Report*
- d. VACORIS will electronically forward the *Disciplinary Offense Report* for institutional review (4-4237)
8. When the offense was improperly modified to a Lesser Included Offense, or when the *Penalty Offer* was improper because the alleged offense committed was subject to a mandatory penalty, the *Penalty Offer* should be corrected and re-served on the offender.
9. A *Penalty Offer* accepted by the offender is not valid until reviewed and approved by the Hearings Officer.
10. The OIC and Hearings Officer will not negotiate to reduce a disciplinary offense or offer a lesser penalty prior to the Disciplinary Hearing.

XI. SERVING OFFICER

A. Time Limits

1. The *Disciplinary Offense Report* should be served on the offender by midnight of the next working day following discovery of the alleged offense. Service of the *Disciplinary Report* shall not occur between midnight and 6:00 AM or when the offender is in in-cell restraints, suicide watch, or stripped cell. The *Disciplinary Offense Report* should be served as soon as practicable after the offender is removed from restraints, watch, or stripped cell, but no later than midnight of the following working day. (4-4236)
2. An additional day is permitted before service if the offender is offered and does not accept an *Informal Resolution*.
3. The Hearings Officer, subject to review by the Facility Unit Head, must determine whether to dismiss the *Disciplinary Offense Report* if not served within the time limit. Factors that may be considered include, but are not limited to, the need to secure the services of an appropriate interpreter/translator to assist the offender during the service of the *Disciplinary Offense Report* or significant disruption of institutional operations that prevent service within the time limit.
4. The OIC should document reasons for delay in service on the *Disciplinary Offense Report*.

B. Responsibilities of the Serving Officer

1. The OIC will designate a trained security staff member (Corrections Officer Senior or above) to act as the Serving Officer for *Disciplinary Offense Reports* including:
 - a. Advising the offenders of their rights in the disciplinary process
 - b. Obtaining offenders' signatures on the necessary forms
 - c. Witnessing that the *Disciplinary Offense Report* has been properly served
 - d. Returning the signed/witnessed documents to the OIC
2. Prior to serving *Disciplinary Offense Reports*, the Serving Officer must complete the required training, usually conducted by the Hearings Officer. The Hearings Officer will ensure that the Serving Officer has a working knowledge of each of the offender's rights and is trained properly.
3. The Serving Officer shall meet with the offender (in some area of privacy, if possible) and verify the offender's identification card against the information on the *Disciplinary Offense Report*. The Serving Officer will read to the offender all the information on the *Disciplinary Offense Report*.
4. Access to an advisor during service of the charge
 - a. When an offender advisor is requested, the accused offender will not have a choice in the selection of an advisor. Each institution should maintain a list of offenders who are approved to serve as advisors.
 - b. When the accused offender desires a staff advisor, the offender should be permitted to select an employee whose services are conditional on availability and on the employee's willingness to

serve. If the requested staff advisor is not available or willing, the offender should be assigned an offender advisor. The accused offender shall not be denied the assistance of an advisor, if one is requested.

- c. Staff advisors may be utilized in lieu of offender advisors at any institution during a lockdown or when an offender advisor is unavailable.
 - d. Offenders housed in Security Level 5 prisons, or assigned to a Special Housing Unit at any institution, may have a staff advisor appointed in lieu of an offender advisor or when a requested employee is not available. Appointed staff advisors should be knowledgeable about the disciplinary process and should not have been involved in the investigation of the offense or a witness to the offense for which they serve as an advisor.
5. The Serving Officer shall inform the offender of the following rights:
- NOTE: The offender is to state a preference to each right and the Serving Officer is to record on the Disciplinary Offense Report the offender's preference or lack of response to each right. Failure to respond or indicate a preference during the service of the Disciplinary Offense Report will constitute a waiver of the first three rights.*
1. **Advisor** - The right to an offender or a staff advisor to assist the offender at the Disciplinary Hearing
 2. **Witnesses** - The right to request witnesses and to request assistance from an advisor with completing the *Witness Request Form*
 3. **Documentary Evidence** - The right to request Documentary Evidence and to request assistance from an advisor with completing the *Request for Documentary Evidence*
 4. **Waiver of 24-Hour Notice** - The right to 24-hour minimum preparation time prior to the Disciplinary Hearing. The offender may waive the right to 24-hour notice prior to the hearing. (4-4236)
 5. **Appear at Hearing** - The right to be present at the Disciplinary Hearing. Refusal to appear shall be considered an admission of guilt and a waiver of the offender's witnesses. The hearing shall be conducted in the offender's absence, unless the offender has accepted a *Penalty Offer*.
 6. **Question Reporting Officer** - The right to question the Reporting Officer either in person (including by speakerphone or video conferencing if not at the institution where the hearing is held) for a Category I offense or by submitting a *Reporting Officer Response Form* for a Category II offense. Reporting Officer's should not be contacted to testify via speakerphone, when off duty.
 7. **Penalty Offer** - The right to enter into a *Penalty Offer*. The Serving Officer should read to the offender the conditions of accepting the offer and witness the offender's signature that the offender understands the conditions as listed on the *Penalty Offer Form*.
 8. **Remain Silent** - The right to make a statement or the right to remain silent. Silence does not constitute an admission of guilt.
 9. **Vacated** - The *Disciplinary Report* may be vacated and re-served as a different offense, which may be a higher, equivalent, or lesser offense code.
 10. **Lesser Included Offenses** - You may be found guilty of a *Lesser-Included Offense*.
6. The Serving Officer shall request that the offender sign the *Disciplinary Offense Report* and witness the offender's signature.
- a. Refusal to sign the *Disciplinary Offense Report* does not constitute a waiver of any of the offender's rights.
 - b. When the offender refuses to sign the *Disciplinary Offense Report*, the Serving Officer shall be required to sign twice, once to witness and verify that the rights were read to the accused offender and again in the designated area provided to document that the offender refused to sign.
7. Copies of the *Reporting Officer Response Form*, *Witness Request Form*, and *Request for*

Documentary Evidence will be made available in each housing unit upon request by the offender. If the offender is assigned to Special Housing at the time the *Disciplinary Offense Report* is served, the Serving Officer will provide these forms to the offender, if requested.

8. When the offender requests the services of an advisor to assist in preparing the *Reporting Officer Response Form*, *Witness Request Form*, or the *Request for Documentary Evidence*, the Serving Officer/OIC must ensure that a staff or offender advisor is provided within 48 hours and document the name of the advisor for input into VACORIS.
9. The Serving Officer shall read the *Penalty Offer* to the offender and explain the offender's rights in accepting or refusing the *Penalty Offer*.
 - a. The *Penalty Offer* must be served after the *Disciplinary Offense Report*
 - b. The Serving Officer shall read all of the conditions provided in the *Penalty Offer* to the accused offender.
 - c. The offender shall indicate their decision regarding the *Penalty Offer*. The Serving Officer and the offender shall sign and date to acknowledge receipt of the *Penalty Offer*.
 - d. If the offender refuses to sign the *Penalty Offer*, the Serving Officer will document in the signature line as **REFUSED TO SIGN**.
 - e. The Serving Officer shall ensure that the *Penalty Offer* is delivered to the OIC.
10. The Serving Officer shall provide to the offender a copy of the *Disciplinary Offense Report* and the *Penalty Offer*.
11. The Serving Officer shall return the original *Disciplinary Offense Report* and *Penalty Offer* to the OIC for entry of service information into VACORIS. The OIC or designee will ensure that the offender and the Serving Officer signed the *Disciplinary Offense Report* and the *Penalty Offer*. The OIC will forward the completed *Disciplinary Offense Report* and *Penalty Offer* to the Hearings Officer
12. The Serving Officer shall not serve the *Disciplinary Offense Report*, to include the *Penalty Offer*, if they are a witness to the offense. The OIC must be notified, and another trained security staff member will be designated as the Serving Officer.

XII. OFFENDER PREPARATION FOR DISCIPLINARY HEARING

A. Access an advisor if needed

1. At the offender's request, or if the offender has literacy, language, or other limitations that may interfere with their ability to prepare for or represent themselves at the Disciplinary Hearing, the Hearings Officer or OIC shall appoint an advisor to assist the offender.
2. When the offender requests an advisor to assist preparing the *Reporting Officer Response Form*, *Witness Request Form*, or *Request for Documentary Evidence*, the Hearings Officer or OIC must ensure that a staff or offender advisor is provided within the required 48 hour time frame.

B. Submit the *Reporting Officer Response Form*, *Witness Request Form*, and/or *Request for Documentary Evidence*, if needed, within 48 hours of the charge being served.

1. If the offender has possession of written Documentary Evidence that is relevant to the *Disciplinary Offense Report*, the offender may provide the information to the Hearings Officer at the hearing without submitting a *Request for Documentary Evidence*. The Hearings Officer will rule on authenticity and relevancy of the information provided by the offender.
2. Except for good cause shown, failure to submit the proper, completed *Requests* to the Hearings Officer within the time limit is a waiver of the offender's right to request reporting officer response, witnesses, or documentary evidence.

XIII. TIME LIMITS RELATED TO DISCIPLINARY HEARING

A. The OIC will schedule the case for a Disciplinary Hearing.

1. If the offender's behavior does not warrant assignment to Pre-Hearing Detention for behavior management purposes, the disciplinary hearing should be held no sooner than midnight of the second working day and no later than 30 calendar days after service of the *Disciplinary Offense Report*, unless a valid reason exists.
2. If the offender has been placed on PHD or any other detention status for the *Disciplinary Offense Report*, the hearing should be held no sooner than midnight of the second working day and no later than 15 calendar days after service of the *Disciplinary Offense Report*, unless a valid reason exists.
3. If an offender has been physically moved to general population before the expiration of the 15-day time limit, the time limit for hearing the *Disciplinary Offense Report* will be 30 calendar days.
4. Institutions that choose to comply with ACA Standard 4-4238 should maintain an Implementation Memorandum specifying that if an offender receives a *Disciplinary Offense Report*, the hearing should be held no sooner than midnight of the second working day and scheduled no later than seven working days after service of the *Disciplinary Offense Report*. Note: ACA Standard 4-4238 is not mandatory for institutions that are unable to comply. (4-4238)
5. The offender will be given 24-hour notice of the hearing date unless the offender waives this right during the service of the *Disciplinary Offense Report*. Notice will be satisfied with documented hearing date on the *Disciplinary Offense Report*. (4-4238)
6. When a hearing must be rescheduled and the new date is within the authorized time limit, a *Notice of Postponement* (see sample, Attachment 4) must be given to the offender at least 24 hours prior to the rescheduled hearing date.
7. When the offender receives more than one *Disciplinary Offense Report*, the Hearings Officer will hear each *Disciplinary Offense Report* individually.
8. After a Disciplinary Hearing has started, the Hearings Officer may temporarily adjourn if necessary and reconvene the hearing at a later time or date.
 - a. Reconvening the hearing does not require 24-hour notice.
 - b. When the hearing does not reconvene on the same day, the offender will be notified at least one hour before the hearing reconvenes.

B. Authorized Continuances (4-4239)

1. An Authorized Continuance is required for a hearing not completed within 30 calendar days after the initial service of the *Disciplinary Offense Report*, or 15 calendar days if the offender is assigned to PHD. The Hearings Officer shall notify the offender of the continuance by using *Notice of Continuance* (see sample, Attachment 5).
2. Authorized continuances are:
 - a. Reporting Officer, voluntary staff advisor, or witnesses are off duty or away from the institution on the date of the hearing
 - b. Unavailability of the accused offender due to a medical condition, hospitalization, or temporary transfer to another location for medical purposes, court appearances, or other reasons
 - c. The institution is awaiting determination of restitution amounts or results of blood or other laboratory tests
 - d. Unavailability of staff due to escape, disturbance, or natural disaster
 - e. Prolonged absence of Reporting Officer due to illness, temporary leave of absence, mandatory training or military leave
 - f. Escape of the accused offender
 - g. Awaiting the outcome of criminal charges as a result of this offense

- h. To obtain an appropriate interpreter/translator/advisor to assist the offender
- 3. The Hearings Officer should hold the hearing within five working days after determining the continuance is no longer justified.
- 4. The Hearings Officer must obtain permission from the Manager of the Offender Discipline Unit to hold a Disciplinary Hearing after the 15/30 calendar day deadline for any reason other than an Authorized Continuance or suspension of this operating procedure due to an institutional emergency. The Hearings Officer must request permission for the continuance within three working days after the deadline for the hearing.

XIV. HEARINGS OFFICER PRIOR TO HEARING

A. For all offenses, the Hearings Officer shall:

- 1. Review any [Witness Request Form](#) 861_F5 submitted by the accused offender. (4-4242)
 - a. The accused offender will only complete Part I of the *Witness Request Form* and submit it to the Hearings Officer.
 - b. The Hearings Officer will forward the *Witness Request Form* to the witness, after entering the scheduled hearing date and deadline for returning the form to the Hearings Officer in Part II.
 - c. The Witness will write their statement in the space provided in Part II, signing and dating the form before submitting to the Hearings Officer.
 - d. The Hearings Officer will review the returned *Witness Request Form* and will have four decision choices:
 - i. Statement is relevant to the offense, and the statement will be addressed in the Disciplinary Hearing.
 - ii. Statement is NOT relevant to the offense, and the statement will NOT be addressed in the Disciplinary Hearing.
 - iii. Request DENIED - offender failed to submit request within 48 hours to the Hearings Officer.
 - iv. Request is incomplete and will not be processed.
 - e. Employees may not refuse to submit a *Witness Request Form* when requested by the Hearings Officer.
 - f. If an offender witness refuses to be a witness for the accused offender, the offender will indicate their decision in the designated box on the *Witness Request Form* and return the form to the Hearings Officer.
 - g. If the requested witness is neither an employee nor another offender (i.e. a member of the public, such as a visitor), it is the offender's responsibility to provide the witness' mailing address to the Hearings Officer.
 - i. If the requested witness is a former employee, volunteer, or other private citizen whose address would not normally be known by, or made available to the offender, but is available to institutional staff, the Hearings Officer should obtain the address and request a written statement from the witness.
 - ii. If necessary to mail *Witness Request Forms*, postage shall be at institutional expense.
 - iii. Witnesses who are visitors, volunteers, etc. may decline to submit a statement; failure to provide a statement by the deadline constitutes a waiver to testify at the hearing.
- 2. Review any [Request for Documentary Evidence](#) 861_F6 submitted by the accused offender to determine relevancy to the offense. Complete Part II indicating if the information requested appears relevant. (4-4242)
 - a. If the Documentary Evidence requested appears not to contain information relevant to the offense, or if the offender fails to describe the Documentary Evidence, or how the information is relevant to the *Disciplinary Offense Report*, the Hearings Officer will not obtain the information requested by the accused offender. The offender will be notified, using *Request for Documentary Evidence*, Part II, at least one half hour prior to the hearing that the Documentary Evidence will

not be provided.

- b. If the Documentary Evidence appears relevant to the offense, obtain the information requested. The Hearings Officer should give a copy of the Documentary Evidence to the offender at least one half hour prior to the hearing.
 - c. If the information does not exist, notify the accused offender at least one half hour prior to the hearing.
3. Review questions submitted by the offender on the [Reporting Officer Response Form](#) 861_F4. Make an appropriate ruling regarding relevancy and initial decision before forwarding to the Reporting Officer.

B. For Category I offenses:

1. If a statement is relevant and non-repetitive, the Hearings Officer should ensure that the witness testifies in person at the hearing.
2. The Hearings Officer will review multiple witness statements for repetitiveness. When witness statements are found repetitive, only one of the requested witnesses will be called to the hearing. If the Hearing Officer determines that a witness does not possess relevant knowledge of the *Disciplinary Offense Report*, the Hearings Officer will not call the witness to the hearing nor require a written statement.
3. Staff may not decline to testify as witnesses, unless the Hearings Officer determines their testimony to be repetitive or not relevant.
4. An offender witness' written statement shall not be used in lieu of the witness' testimony at a Disciplinary Hearing, except at Security Level 5 and segregation units where the statement from an offender witness is sufficient.
5. Offenders and non-DOC employees are not required to testify as witnesses against their will.
6. When the witness is not available at the institution where the hearing is being conducted, the witness should testify by speakerphone, video conferencing, or submit a written statement to the Hearings Officer.
7. Witnesses, who are considered a visitor, volunteer, etc., and whose testimony is relevant and non-repetitive, should testify voluntarily by speakerphone, or video conferencing unless there are valid security considerations. If such witness is unavailable at the scheduled hearing time, the witness' verbal testimony shall be waived and any written statement submitted by the witness should be entered into the record.
8. For Category I offenses, the Reporting Officer shall testify in person. If the Reporting Officer is not assigned to the institution where the *Disciplinary Offense Report* is being heard, the testimony may be via speakerphone or video conferencing.

C. For Category II offenses:

1. Requested witnesses (i.e. offenders, staff, or other witnesses) should provide a written statement on the *Witness Request Form*. The witness' personal appearance at the hearing is not required. The Hearings Officer should read all witness statements into the record.
2. Offenders and non-DOC employees should not be compelled to provide statements against their will.
3. The Hearings Officer has the discretion to call any witness to appear at the hearing, including the Reporting Officer, if determined necessary. The inability to obtain the personal appearance of the Reporting Officer, or of any other witness, once determined necessary by the Hearings Officer, may result in a dismissal of the *Disciplinary Offense Report*.

- D. At least one half hour prior to the hearing, the Hearings Officer should make available for review by the offender a copy of all *Requests for Documentary Evidence*, *Witness Request Forms*, with the exception of confidential witness statements, and the *Reporting Officer Response Form* including all *Requests* the

Hearings Officer deemed not relevant. After reviewing the statements, the offender's advisor should be permitted to confer with the accused offender 30 minutes prior to the offender's Disciplinary Hearing. *NOTE: The 30 minute time period to confer with the advisor prior to the hearing should be provided to the offender even in the absence of any forms as noted above.*

XV. HEARINGS OFFICER

- A. The Hearings Officer shall ensure that the hearing is recorded. (4-4240)
 1. The Hearings Officer should avoid any communication with the offender regarding details of the offense until the recording device is activated to ensure that all communications with the offender regarding the charge are recorded.
 2. If at any time the recorder is turned off during the hearing, the Hearings Officer should indicate this in the hearing and state the reason.
 3. When the recorder is re-activated, the Hearings Officer will state the time and should summarize the events that were not recorded, including the duration of time the recorder was off.
- B. When an offender waives the right or refuses to appear at a Disciplinary Hearing, the Hearings Officer should verify the reasons the offender is not present. (4-4241)
 1. An effort should be made to establish that the offender's failure to appear is voluntary and is not due to circumstances beyond the offender's control.
 2. When the offender refuses to appear at the hearing, the Hearings Officer shall do the following:
 - a. Have an employee with knowledge of the offender's refusal complete a [Refusal to Appear 861_F7](#). *NOTE: The Hearings Officer may serve as the employee receiving the offender's refusal, and the Hearings Officer may serve as the employee witnessing the offender's refusal. The offender will be asked to sign to acknowledge that they are refusing to participate in the Disciplinary Hearing. If the offender refuses to sign the Refusal to Appear form, the employee will check the designated block to document their refusal.*
 - b. Conduct a Disciplinary Hearing in the offender's absence
 - c. Read the *Disciplinary Offense Report* into the record
 - d. Not require the Reporting Officer to be present at the Disciplinary Hearing
 - e. Consider the offender's refusal to appear as an admission of guilt
- C. The Hearings Officer should conduct the hearing in four stages in accordance with the *Format for Disciplinary Hearings* (see Attachment 6).
 1. The Hearings Officer will document the presence of the accused offender by asking the offender to state their name and number for the record. If the accused offender is not present at the Disciplinary Hearing, the Hearings Officer will document the reason for the offender's absence in the hearing recording and in VACORIS.
 2. If the offender requests the review of video/audio recording and/or physical evidence, the need to review such recordings or evidence is determined by the Hearings Officer.
 - a. The Hearings Officer may temporarily adjourn the hearing to review the video/audio recording and/or physical evidence, this review shall not occur prior to the Disciplinary Hearing.
 - b. When the hearing reconvenes, the Hearings Officer will summarize the relevant observations for the record.
 - c. Offenders may not request the presence of physical evidence (weapons, drugs, contraband, etc.) at the hearing and they will not have access to or be allowed to review video and audio recordings.
 3. During the course of the Disciplinary Hearing, if the Hearings Officer determines the accused offender qualifies for an *Informal Resolution*, the Hearings Officer can offer the *Informal Resolution* and determine the appropriate penalty within the authorized penalty range.

4. The Hearings Officer may question the Reporting Officer, offender, and each witness as necessary to clarify facts surrounding the alleged offense.
5. The Hearings Officer shall remain objective and render a fair decision based solely on the facts presented at the hearing
6. The Hearings Officer shall rule on all matters of evidence. This includes, but is not limited to, ruling on relevancy and repetitiveness of the testimony provided at the hearing. It is not necessary to follow strict rules of evidence.
7. The Hearings Officer must ensure orderly proceedings, including the removal of anyone attempting to disrupt the hearing.
 - a. If the accused offender is removed, the hearing shall continue in his/her absence.
 - b. The Hearings Officer must state in the hearing the reasons for the removal of any person from the hearing.
8. The Hearings Officer may adjourn the hearing to allow the correction of a minor technical error
 - a. If, in the judgment of the Hearings Officer, the error did not impair the offender's ability to prepare a defense, the error may be corrected at the hearing and the hearing may continue.
 - b. If the error impaired the offender's ability to prepare a defense, the hearing should be adjourned for at least 48-hours to let the offender prepare a defense, including the opportunity to submit *Witness Request Forms, Request for Documentary Evidence or Reporting Officer Response Form*.
 - c. The offender may waive (on record) the adjournment, allowing the hearing to proceed with the revised *Disciplinary Offense Report*, noting the technical errors that were noted.
9. The Hearings Officer may determine that the offender was charged with an incorrect offense and vacate the *Disciplinary Offense Report* to a higher, equivalent, or lesser offense code.
 - a. The description of offense must be able to support the new offense code without revision.
 - b. A *Disciplinary Offense Report* may only be vacated before an actual decision is rendered.
 - c. The *Disciplinary Offense Report* should be re-served on the offender with all rights observed, to include the right to a full Disciplinary Hearing for the revised offense, within five working days following the Hearing Officer's decision to vacate the *Disciplinary Offense Report*.
 - d. The Disciplinary Hearing should not be held sooner than 48-hours after the revised *Disciplinary Offense Report* is served.
 - e. The offender may waive re-service of the new, vacated offense code and allow the Hearings Officer to amend the report and proceed with the hearing.
10. The Hearings Officer may temporarily adjourn the hearing to summon a witness or to secure a document, if necessary. The summoned witness should personally appear at the hearing or testify by speakerphone.
11. Reconvening the hearing does not require 24-hour notice. When the hearing does not reconvene on the same day, the offender will be notified at least one hour before the hearing reconvenes.
12. The Hearings Officer shall consider the written report and testimony of the Reporting Officer, the testimony of any witnesses, and the statement of the accused offender - The accused offender should be given the opportunity to explain their version of the offense. (4-4242)
13. The Hearings Officer shall make a fair decision.
 - a. The decision shall be based solely on information obtained in the hearing process, including staff reports/ testimony, the statements of the accused offender, and evidence derived from witnesses and documents. (4-4244)
 - b. A preponderance of evidence presented at the hearing shall be sufficient to support a finding of guilt. (§115.72)
 - c. This decision should be clearly stated in the presence of the accused offender before the hearing

is concluded and documented in the *Reason for Decision* section of the *Disciplinary Offense Report*.

14. The Hearings Officer will record all information required on the *Disciplinary Offense Report*, to include a clear summary of the evidence upon which a finding of guilt and subsequent penalty were based. (4-4245)
15. The Hearings Officer shall impose a penalty within the range authorized for each offense. The Hearings Officer has the authority to suspend any penalty imposed, with the exception of mandatory penalties.
16. At the conclusion of the hearing, the Hearings Officer must inform the offender of the right to appeal to the Facility Unit Head any finding of guilt or the penalty imposed and shall provide the offender with a copy of Attachment 7, *Disciplinary Appeal Instructions*.
17. The Hearings Officer should refer the offender to the Institutional Classification Authority (ICA) for review if the outcome of the hearing is likely to affect the offender's housing status, Security Level, or Good Time Award Level. (see Operating Procedure 830.1, *Facility Classification Management*)
18. The Hearings Officer should refer any offender convicted of offenses numbered 100 through 108, 116, 200 (if assignment required by *Reentry Plan*), and multiple Category I offenses to the ICA for review of Good Time Class Level, unless the offender is in Class Level IV

D. Confidential Witnesses

1. The Hearings Officer must ensure that any offender or other person who may be subject to possible retaliation submits confidential testimony in the form of a statement with their identity protected throughout the disciplinary hearing process.
2. The following safeguards will be observed when the testimony of confidential witnesses is received:
 - a. A confidential informant is an offender or other person whose identity must be withheld and protected for that individual's personal safety.
 - b. Confidential information presented to the Hearings Officer will be in writing and must state facts and the manner in which the confidential informant came to know those facts. Either the confidential informant or the investigator who took the statement shall sign it.
 - c. The Hearings Officer will excuse the offender, the offender's advisor, and all witnesses from the hearing so that the Reporting Officer, who is usually the Investigator, can read the confidential statement(s) into the record. (4-4241)
 - i. The Hearings Officer should state the reasons for the offender being excused from the hearing and document this explanation on the recording.
 - ii. When the offender returns to the hearing, the Reporting Officer or the Hearings Officer will summarize the statement(s) received to the extent that it will not reveal the identity of the informant(s).
 - iii. The Investigator's Office will maintain the original confidential statements for at least 4 years. The Hearings Officer will have access to the statements upon request but should not maintain a copy in their files. The confidential statements will not be uploaded to VACORIS.
 - d. The offender may question the Reporting Officer; however, the Reporting Officer is to present the information in a manner that will not reveal the identity of the confidential source. The accused offender does not have the right to confront, cross-examine, or know the identity of the confidential informant(s).
 - e. A finding of guilt in a Disciplinary Hearing should not be based solely on uncorroborated confidential information from a single informant, unless circumstances of the incident and knowledge possessed by the confidential informant convince the Hearings Officer that the informant's information is reliable. In an un-witnessed assault, for example, the statement of an injured assault victim may be sufficient evidence to support a guilty finding without corroborating evidence.

XVI. INSTITUTIONAL REVIEW

XIX. AFTER THE DISCIPLINARY HEARING

- A. The original *Disciplinary Offense Report*, and any *Penalty Offer*, *Pre-Hearing General Detention Authorization*, *Witness Request Forms*, *Request for Documentary Evidence*, *Notice of Continuance*, *Notice of Restitution/Loss of Pay/Deduction of Fine*, and/or *Disciplinary Appeal* or other relevant materials, to include the Disciplinary Hearing Recording, shall be maintained by the Hearings Officer for 3 years. (4-4240, 4-4245)
 1. All digital Disciplinary Hearing Recordings shall be entered into the Offender Disciplinary Unit shared folder database in a timely manner.
 2. All voice recordings will be labeled with the case number generated by VACORIS, no other labeling shall be used.
 3. Recorded hearings needed in any investigation, criminal proceeding, or other matters known to be under litigation, shall be saved to the digital storage folder in accordance with Operating Procedure 030.1, *Evidence Collection and Preservation*.
- B. Where the offender is found guilty, the *Disciplinary Offense Report* and all related documents shall be uploaded as external documents and attached to the corresponding *Disciplinary Offense Report* in VACORIS, after the Institutional Review. VACORIS will serve as the official offender disciplinary record. (4-4245)
- C. Where the offender is found not guilty or the offense is dismissed, the *Disciplinary Offense Report* shall NOT be uploaded into VACORIS. The *Disciplinary Offense Report* and all related documents shall be filed in the Hearings Office. (4-4246)
- D. If a *Disciplinary Offense Report* is disapproved, ordered reheard or changed to an *Informal Resolution* on review or appeal, all mention of the original conviction in the offender's record shall be removed by submitting an [Expungement of Offender Record Material](#) 050_F13 in accordance with Operating Procedure 050.1, *Offender Records Management*. The conviction shall be removed by Court & Legal from the *Disciplinary Offense List* in VACORIS using the "overturned" function. (4-4246)
- E. For offenders who are in "parole granted status" and found guilty of a disciplinary offense, the Facility Unit Head will notify the manager of the Community Release Unit in a timely manner. If the finding of guilt is subsequently overturned during the appeal process, the Facility Unit Head should notify the Community Release Unit accordingly.

XX. RE-HEARING OF DISCIPLINARY OFFENSE REPORT

Only two re-hearings are allowed for each offense in accordance with the following procedures:

- A. VACORIS will automatically create a new *Disciplinary Offense Report* whenever a re-hearing is ordered. The *Disciplinary Offense Report* must be reviewed and approved by the OIC (the description of the offense cannot be modified).
- B. Service of *Disciplinary Offense Report* for re-hearing
 1. When a re-hearing has been ordered by the Facility Unit Head, a copy of the *Disciplinary Offense Report* should be served on the offender within five working days following receipt of the re-hearing order by the Hearings Officer.
 2. When a re-hearing is ordered by the Regional Administrator, a copy of the *Disciplinary Offense Report* should be served on the offender within five working days following submission of the re-hearing order in VACORIS by the Offender Discipline Unit.

3. When the *Disciplinary Offense Report* is served, the same offender rights and time limits specified in this operating procedure for the original hearing apply to the re-hearing, including *Authorized Continuances*.
- C. The same steps in the disciplinary process will be followed as though the *Disciplinary Offense Report* was being referred by the Reporting Officer. The same Hearings Officer may re-hear the *Disciplinary Offense Report* unless good cause is shown.
- D. No greater penalty may be imposed than the penalty imposed at the original hearing, with the exception of mandatory penalties.
- E. When ordering a re-hearing, the Facility Unit Head should discontinue any penalty underway. The penalty already served shall be credited to any penalty resulting from the re-hearing.
- F. Where the *Disciplinary Offense Report* is dismissed, or the offender is found not guilty of the offense, the *Disciplinary Offense Report* cannot be reheard.

XXI. LESSER-INCLUDED OFFENSES

- A. An offense code may be reduced to a lesser-included offense in accordance with the chart below. Such reductions may occur where all elements of the lesser offense are found, while there is insufficient evidence that would justify the original offense as charged. When a reduction occurs, the *Disciplinary Offense Report* will be corrected to reflect the new offense code and title.
- B. The OIC shall have the authority to reduce an offense code during the Penalty Offer process by noting a lesser-included offense on the *Penalty Offer*. If the offender accepts the *Penalty Offer*, the *Disciplinary Offense Report* and *Penalty Offer* should be forwarded to the Hearings Officer, who should line through the offense title and code number on the original *Disciplinary Offense Report* and record the new title and code number above with the note "Offense Code reduced in accordance with *Penalty Offer*."
- C. The Hearings Officer shall have the authority to return a decision of "Guilty of a lesser-included offense." On the original *Disciplinary Offense Report*, the offense title and code number should be lined through with the new title and code number recorded above with the note "Offense Code reduced by Hearings Officer."
- D. The Facility Unit Head or designee shall have the authority to reduce an offense code where warranted during the institutional review of the *Disciplinary Offense Report* or on appeal. On the original *Disciplinary Offense Report*, the offense title and code number should be lined through with the new title and code number recorded above with the note "Offense Code reduced by Facility Unit Head." The offender will also be notified by copy of the modified report.
- E. The Regional Administrator shall have the authority to reduce an offense code on appeal where warranted. Notification of such decision will go to the offender, the institution, and to the Court and Legal Unit in the form of a memorandum.
- F. This authority does not prohibit the Hearings Officer from vacating the *Disciplinary Offense Report* to a higher or equivalent offense code. After the offense has been reduced to a lesser included offense, no offense can be raised to a higher offense at either level of appeal.
