7. Upon approval by the investigating P&P Office, the Program Director may allow the offender to make the Transition Visit.

A Program staff member shall make and document contact with the proposed Transition Visit site to ensure suitability prior to the visit. Monitoring of Transition Visits and Passes is required by contract.
9. All Transition Visit sites must have a land line telephone at the location of the Transition Visit site at which the offender can be reached.
 - a. Program staff must randomly check by telephone or site visit to assure the required monitoring of offenders at least two times per twenty-four hours.
 - b. Curfew for Transition Visits is 11:00 p.m.
