PURPOSE
This operating procedure provides a general framework for the development and execution of operating budgets within the Department of Corrections.

PROCEDURE
I. Budget Development
   A. The Department of Planning and Budget (DPB) is responsible for issuing instructions to be used by all State agencies in the development of budget submissions. Timetables and instructions may vary with each request cycle.
   B. The DOC Budget Office is responsible for establishing and coordinating processes to develop operating budget requests and will issue timetables and instructions to all DOC Organizational Unit Heads as needed.
   C. The Director is responsible for identifying the needs of the DOC and submitting a budget request as allowed by Executive Branch Leadership, which adequately supports the programs of the Department of Corrections. (4-APPFS-3D-24; 2-CO-1B-02)
      1. The DOC Budget Office is responsible for recommending budget request strategies to Executive Staff, and for tracking operating budget issues during the DOC, Executive, and Legislative phases.
      2. The DOC Budget Office meets with the Director, Chief of Corrections Operations, Deputy Director for Administration and Deputy Director for Programs, Education, and Reentry to decide which addenda will be formally submitted to the Secretary of Public Safety and Homeland Security.
      3. The Director works with the Secretary of Public Safety and Homeland Security in planning the final DOC budget submission. (2-CO-1B-03)
      4. After approval by the Secretary of Public Safety and Homeland Security, budget submissions are forwarded to DPB through their Performance Budgeting System.
   D. In accordance with instructions from the DOC Budget Office as required, Organizational Unit Heads are responsible for establishing and coordinating processes for staff participation to develop budget requests within their own units. (5-1B-4028; 4-4028; 1-CTA-1B-03, 1-CTA-1B-04) Organizational Unit Head requests should include funds for maintaining the unit’s daily operations, financing capital projects, and supporting long-range objectives, program development, and additional staff requirements. (5-1B-4029; 4-4029; 1-CTA-1B-01)
   E. Budget requests which involve new construction, expansion or renovation, and which result in physical plant improvements are Capital Projects, and generally do not qualify as operating budget requests under the coordination of the DOC Budget Office. Such capital requests are developed in coordination with the DOC Infrastructure and Environmental Management Unit.

II. Budget Execution
   A. Based on the current Appropriations Act, the DOC Budget Office is responsible for the formulation and monitoring of annual operating budgets to ensure appropriation and anticipated revenues are sufficient to enable each DOC agency to meet its objectives, consistent with its mission and goals. (4-ACRS-7D-18; 4-APPFS-3D-21; 1-CTA-1B-01) The DOC Budget Office will issue timetables and instructions to all DOC Organizational Unit Heads as needed for budget formulation and monitoring.
   B. In addition to budget/expenditure reports generated monthly (5-1B-4032; 4-4032; 4-ACRS-7D-20; 1-CTA-1B-06), the DOC Budget Office requires periodic expenditure projections which are generated department-wide and serve as the primary tool for monitoring expenditures, identifying potential problems, and recommending corrective action as needed. (5-1B-4035; 4-4035, 4-ACRS-7D-23; 1-CTA-1B-01) Various other revenue and expenditure reports are available through the statewide CARDINAL financial system.
C. The DOC Budget Office prepares and processes all necessary operating budget adjustment transactions. All budget adjustments are subject to approval by the DOC Chief Financial Officer (or designee). (5-1B-4030; 4-4030; 4-APPFS-3D-21; 2-CO-1B-04)

1. Transactions within the same fund and/or program require only DOC approval.
2. Transactions which require realignment between funds and/or programs require approval by the Department of Planning and Budget.

D. The DOC Chief Financial Officer is responsible for the coordination of year-end fiscal closeout, and will issue guidelines and schedules to all DOC Organizational Unit Heads as needed.

E. The Director, Chief of Corrections Operations, Deputy Director for Administration, and Deputy Director for Programs, Education, and Reentry monitor and review the expenditure of DOC funds. (2-CO-1B-01)

F. DOC Organizational Unit Heads are responsible for establishing and coordinating processes to monitor budgets within their own organizations, and to assure effective communication with Regional Operations Chiefs, Regional Administrators, and with the DOC Budget Office. (4-ACRS-7D-19; 4-APPFS-3D-22)
