PURPOSE
This chapter of the Food Service Manual provides a religious diet program to reasonably accommodate special diets that meet the basic nutritional needs of inmates and CCAP probationers/parolees whose religious beliefs require the adherence to religious dietary laws.

PROCEDURE
I. Reception Centers and Community Corrections Alternative Program (CCAP) (4-ACRS-4A-03(CC))
   A. Due to the short duration and voluntary nature of a CCAP and the short duration of assignment to a Reception Center, these facilities do not offer religious diets. These facilities offer inmates and CCAP probationers/parolees the option of choosing non-meat meals from the Master Menu to address their dietary requirements.
   B. Reception Centers and CCAPs offer meals that reasonably accommodate certain religious or spiritual dietary needs to the extent feasible during the Observance of Ramadan and NOI Month of Fasting and the Observance of Passover.
      1. Inmates and CCAP probationers/parolees may choose to eat from the Master Menu or the Ramadan and NOI Month of Fasting Menus during the Observance of Ramadan and the NOI Month of Fasting.
      2. Inmates and CCAP probationers/parolees may choose to eat from the Master Menu or the Passover Menu during the Observance of Passover.
   C. An inmate’s and CCAP probationer’s/parolee’s eligibility, participation, and all other requirements established in this operating procedure for religious observance meals to include fasting for other religious observances will apply.

II. Inmate Religious Diets
   A. Religious Diets are available at institutions designated by the Chief of Corrections Operations and are intended to accommodate inmates whose religious dietary needs cannot be met by the Master Menu. (5-ACI-5C-07)

   E. The Food Operations Director/Manager or designee will provide appropriate training and supervision for inmate kitchen workers assigned to prepare, deliver, or serve food for religious diet meals, including, but not limited to, contamination issues and the correct use of gloves with training documented on the Inmate Worker Common Fare Training Acknowledgement FSM_F8 and the Inmate Worker Sealed Religious Diet Menu Training Acknowledgement FSM_F34, as appropriate.
